

DEKALB® Soybean Plot Data Form

Plot Data Release: <small>I hereby grant Monsanto Canada Inc., and/or its related companies, affiliates, agents, successors and assigns ("Monsanto"), the right to use the 2015 test plot data results pertaining to my fields, the GPS coordinates for my fields, and/or any photographs or video of my fields taken by Monsanto in conjunction with said test plot data results in its publicity, promotions and advertising, including social media channels and Monsanto-sponsored or affiliated websites (collectively, "Marketing Materials"). I agree that, if Monsanto provides to me the 2015 test plot data results for my fields prior to Monsanto's publication of those results, I will use such results for my own internal information only and will not make public such results until Monsanto has published the results on dekalb.ca at which point I will use the links provided on the site to distribute said information. I further consent to the use of my name, the name of the city/town and province where my fields are located, and my likeness in Monsanto's Marketing Materials.</small>						Cooperator:	College Macdonals	Previous Crop:	Soybeans	Selling Price:	\$11.00
